“15th INTERNATIONAL NURSING CONFERENCE”

June 22-23, 2024, at Hotel Bumi Surabaya, in East Java, Indonesia

**Theme: “Fostering a Global Health Mindset through Cross-cultural Communication and
Digital Transformation Strategies”.**

JLUMHS is delighted and proud to publish the conference proceedings of "The 15th International Nursing Conference" organized by the Faculty of Nursing, Universitas Airlangga, Indonesia.

An international nursing conference typically serves as a platform for nurses, nurse practitioners, researchers, educators, and other healthcare professionals from around the world to come together and discuss various aspects of nursing practice, education, research, and policy. These conferences often feature keynote speeches, presentations, workshops, poster sessions, and networking opportunities.
